**REFUND, CANCELLATION & CHARGEBACK DISCLOSURE POLICY**

OPERATING ENTITY: WOW MY FLIGHT LLC (“Agency,” “We,” “Us,” or “Our”)

EFFECTIVE DATE: October 2, 2026

1. AGENCY SCOPE OF SERVICE & DISCLAIMER OF CARRIER CONTROL

1.1 Independent Travel Intermediary Status: WOW MY FLIGHT LLC operates strictly as an independent travel agent arranging air transportation and travel services on behalf of third-party air carriers (“Operating Carriers”). We are not an air carrier and do not operate flights.

1.2 Governing Carrier Conditions: Every ticket booked through Our Agency is subject to the individual Contract of Carriage, Fare Rules, and operational policies of the respective Operating Carrier. The Agency has no administrative control over airline schedule changes, flight delays, mechanical cancellations, seat reassignments, or baggage allowances.

1.3 Non-Transferability: Air travel tickets issued through Our Agency are strictly non-transferable and non-endorsable. Passenger name corrections or modifications are strictly governed by carrier rules and are generally prohibited once a ticket has been ticketed/issued.

2. CANCELLATIONS, FARE RULES & REFUND ELIGIBILITY

2.1 Presumption of Non-Refundable Fares: Unless expressly labeled as a "Fully Refundable Ticket" in writing prior to purchase confirmation, all tickets distributed through Our Agency are strictly non-refundable, non-changeable, and non-assignable after issuance.

2.2 U.S. Department of Transportation (DOT) 24-Hour Rule Exemption Notice:

* For reservations originating in or departing from the United States booked at least seven (7) days prior to scheduled departure, cancellations requested within 24 hours of booking confirmation may be eligible for a refund or void status under U.S. DOT guidelines.
* All 24-hour void requests remain subject to an administrative agency service handling fee of up to $50.00 USD per ticket.

2.3 Voluntary Passenger Cancellations & Ticket Changes:

* If a passenger voluntarily requests to cancel or modify a ticket outside the 24-hour window, the transaction remains subject to the Operating Carrier's Published Change/Cancellation Penalties (which frequently equal 100% of ticket value).
* Any remaining residual fare balance, if permitted by carrier rules, will be issued solely as a restricted future airline credit bound by the carrier’s expiration timeline.
* Agency Service Fees Non-Refundable: All booking fees, service fees, platform charges, and merchant processing surcharges collected by WOW MY FLIGHT LLC are completely non-refundable under all circumstances.

2.4 Involuntary Cancellations & Schedule Modifications: In the event of an airline-initiated flight cancellation, weather grounding, labor dispute, or carrier schedule modification, passenger rights to refunds or rebooking options are dictated exclusively by the Operating Carrier's Contract of Carriage. Agency service fees remain non-refundable.

3. MANDATORY CREDIT CARD SECURITY & VERIFICATION

3.1 Fraud Prevention Controls: To safeguard cardholders and satisfy high-risk merchant security mandates, WOW MY FLIGHT LLC utilizes automated Address Verification Services (AVS), 3-Digit Card Verification Value (CVV/CVC) checks, and 3D Secure 2.0 (3DS) two-factor authentication.

3.2 Third-Party Cardholder Mandate: If the credit/debit cardholder name differs from the primary passenger name on the itinerary, the Agency reserves the right to withhold e-ticket issuance until a signed Third-Party Credit Card Authorization Form, a valid government-issued photo ID, and card image verifications are received and approved.

4. WAIVER OF CHARGEBACK RIGHTS & DISPUTE RESOLUTION CONTRACT
4.1 Mandatory Pre-Dispute Contact: By purchasing a ticket through Our Agency, the Cardholder and Passenger agree to exhaust all internal resolution channels with Our support department (billing@wowmyflight.com) prior to filing a formal billing dispute or chargeback with their credit card issuing bank.
4.2 Binding Chargeback Waiver: The Cardholder hereby agrees NOT to initiate, file, or pursue a chargeback, credit card dispute, or payment reversal under any of the following circumstances:
* Unilateral passenger change of travel plans, voluntary cancellations, or "no-show" events.
* Disagreements over non-refundable fare structures previously disclosed at checkout.
* Flight cancellations, delays, or schedule modifications enforced by the Operating Carrier.
* Name submission errors made by the passenger during the online booking process.
* Claims of "unauthorized transaction" where 3D Secure (3DS) authentication was completed or where passenger details match the cardholder's household/family.
4.3 Legal Consequences of Improper / Fraudulent Chargebacks:
* In the event of an improper or fraudulent chargeback filed by the Cardholder, WOW MY FLIGHT LLC will submit this executed contract, IP routing logs, 3DS electronic signatures, GDS ticket transmission logs, and airline flight utilization data to the cardholder’s bank to defeat the dispute.
* The Cardholder agrees to reimburse WOW MY FLIGHT LLC for all merchant arbitration fees ($50.00 – $250.00 USD per incident), administrative chargeback collection costs, and reasonable attorney fees incurred in recovering the disputed funds.
* The Agency reserves the right to immediately invalidate and cancel any open, un-flown flight segments associated with a card account subject to an active chargeback or payment reversal.
5. ELECTRONIC ASSENT & ACKNOWLEDGEMENT
By checking the mandatory checkbox labeled "I accept the Terms of Service and Refund/Chargeback Policy" and submitting payment, the Cardholder explicitly certifies under penalty of law that:
* They have read, understood, and agreed to these Terms, the Airline Contract of Carriage, and Our Non-Refundable Fare Rules.
* They authorize WOW MY FLIGHT LLC to charge their designated payment card for the total booking sum displayed.
* This electronic confirmation constitutes a legally binding contract under the Electronic Signatures in Global and National Commerce Act (E-SIGN) and the Uniform Electronic Transactions Act (UETA).

***Counsel's Operational Execution Notes for WOW MY FLIGHT LLC***
**** The "Unchecked" Box Enforcement: On your [www.wowmyflight.com](https://www.wowmyflight.com) checkout page, the agreement box must not be pre-checked. The user must physically click it. Card brand arbitrators (Visa VROL and Mastercard Claims Manager) automatically rule in favor of the consumer if the checkbox is pre-selected.***
**** Dynamic Descriptor Matching: Ensure your payment gateway descriptor displays clearly on card statements as WMF*WOWMYFLIGHT or WOW MY FLIGHT LLC. Over 40% of travel chargebacks are caused simply because the customer didn't recognize the merchant name on their bank statement.***

**** Capture 3DS Metadata: Instruct your web developer to store the 3D Secure Transaction ID (XID / CAVV) in your database alongside every ticket purchase. When a customer files a chargeback, submitting that single string of code proves identity authentication in court or bank arbitration.***
